AGRO TOUR WITH GLIMPSES OF ISRAEL

7 NIGHTS / 8 DAYS

IndoIsraelTravel.com

Agro Tour with Glimpses of Israel is a unique Tour Package of **Indo Israel Tour & Travel** that gives you a great opportunity to peek into the Agricultural advancements of Israel, along with the historical journey of one of the oldest civilizations of the world. This tour is designed to include all the important major developments in the field of Agricultural Technology, from Drip Irrigation technique of Netafim to Hydroponic & Aquaponic Techniques, from Banana, Pomegranate, Orange, Dates Orchards to Grapes cultivation with Wineries. Apart from this, the tours also include natural wonders like the Dead Sea and historical sites like Jerusalem. It is an excellent overview of Israel keeping the Agriculture advancements in the main focus.

The packages include pick-up and drop-off service; air-conditioned transportation; accommodation and an experienced tour guide familiar with the Agri Business sensibilities. If interested in any future collaboration with Agriculture Industry of Israel, you can inquire freely with our Guide. during the tour and take your endeavour at next level.

DAY #1

Arrival at Tel Aviv, Israel.

Welcome of Guests by INDO ISRAEL TOUR & TRAVEL'S representative at the airport and transfer to the hotel. Price of RTPCR Test to be paid directly by the guests.

As per the current Travel Policy of Israel,, RTPCR Test will be conducted by Israeli Authority on arrival & the guests need to stay in isolation for 24 hrs, until they receive the RTPCR Test report.

Overnight stay at Tel Aviv

DAY #2

Stay in isolation

Guests stay in isolation till the arrival of the Negative RTPCR report. Afterwards, guests have leisure time in the city.

Overnight stay at Tel Aviv

Netafim Demonstration

DAY #3

Netafim - Nazareth - Kibbutz Hukok (Hydroponic and Aquaponic)

After breakfast, check out from the hotel and visit Netafim which is the world leader in drip irrigation systems and agricultural projects. Since 1965 Netafim has been a pioneer in drippers, dripper lines, sprinklers and micro-emitters. They also manufacture and distribute crop management technologies, including monitoring and control systems, dosing systems, and crop management software. Then we will visit Nazareth, an ancient town of Jesus. Here we tour the beautiful Church of Annunciation. Later on, we will continue to Kibbutz Hukok. Here we will see the Greenhouses for Hydroponic & Aquaponic farming. We will have a detailed session with the expert over here regarding the key aspects of the Hydroponic way of cultivation and its business aspects.

Overnight stay at Tiberias

DAY #4

Cafarnaum - Tabgha - Yardenit

Today we will go for a tour of historical sites. We will start the day with the visit to Capharnaum which is on the shore of the Sea of Galilee, and visit the House of Peter, the first disciple of Jesus. Then we will move to In Tabgha, we will tour the Roman Catholic Church of the Multiplication of the Loaves and Fishes. We pass Tiberias on the edge of the Sea of Galilee and stop at Yardenit. This River Jordan baptismal site could have been where John baptized Jesus.

Overnight stay at Tiberias

Nazareth

Understanding Hydroponic Cultivation

DAY #5

Tzemach R&D - Kibbutz Sde Eliyahu (Bio Bee) - Oren Farms

Today we will visit Tzemach R&D, in the north where we will see the Banana cultivation. We will also visit the Mango orchards there. Then we will visit Kibbutz Sde Eliyahu to see biologically based Integrated Pest Management - BIO BEE. We will participate in their lecture/presentation & learn about the technique. Then we will go to see the cultivation of Dates & Pomegranates. Afterwards, we will move towards Jerusalem. Enroute, we will go to Oren farm that specializes in Dates cultivation and Argan Oil production and understand the techniques they are using to optimize the production.

Overnight stay at Jerusalem

DAY #6

Jerusalem (Old & New City)

After breakfast, a day tour to Jerusalem to see the Panoramic overview of the old and new city of Jerusalem. Along the Kidron Valley view the garden of Gethsemane, the wall of the old city & Mt. of Olives. Enter the old city via. Armenian quarter, Jewish quarter, Cardo, Western Wall of Jerusalem and enjoy the colourful market.

Overnight stay at Jerusalem

Jerusalem

Guests Enjoying at Dead Sea

DAY #7

Qumran / Dead Sea

Drive through the Judean desert to the Dead Sea, the lowest point on earth, almost 1300 feet (400 meters) below sea level. We will pass through Qumran where the Dead Sea scrolls were found. Later on, continue to the Dead Sea; Cover yourself with the mineral rich mud and experience a float in the magical waters of the Dead Sea which has its therapeutic effects also.

Overnight stay at Jerusalem

DAY #8

Tzora Vineyards - Airport transfer

After breakfast we will checkout for the hotel and visit Tzora Vineyards. Located high in the Judean Hills, Tzora vineyard has a wide range of small parcels varying in elevation and soils. This natural variation gives birth to an array of terroirs, which create wines of great complexity and longevity. We will visit the Vineyards to check the crops and interact with the farming expert there to get the knowhow of their processes. We will also join the Wine tasting session that will be the departure treat.

Afterwards, transfer to the Ben Gurion Airport, Tel Aviv.
